GNBCC  
ACCRA**

Dear Mr. Wiarda,

## **INVITATION TO JOIN THE GHANA EMPLOYERS' ASSOCIATION (GEA)**

We wish to request your Council to support us to invite members of the GNBCC to join the Ghana Employers' Association (GEA), a National Employers body representing employers and businesses in all sectors of the economy.

The GEA promotes the interest of employers in a competitive business environment through advocacy, consultancy, quality services and industrial harmony, to foster the growth of businesses.

As a member you would have the privilege of benefiting from regular updates on legislation relating to labour relations, human resources, management policies and practices, remuneration survey information and compensation practices among others.

The Association has succeeded over the years in establishing the reputation of being very well informed about the needs of employers, accurately representing the views of the business community on economic, social policies and issues affecting management-labour relations, among others.

Some esteemed Businesses of your Council who are already members of GEA include Reiss & Co. KPMG, KLM Royal Dutch Airlines and PWC.

For a very special gesture, we kindly offer a ten (10) percent discount, on the first annual membership subscription to any Company/Business of your Council which signs up to join the Association.

We are much optimistic that we can work together as a family of employers to collectively create a conducive economic environment for business growth and profitability.
