REQUEST FOR SUPPORT- OPEN BEACH CLEANUP

We would like to request for logistical and personnel support to assist us clean the open beach front at the Sakumono Beach in Tema.

The employees on Philips Ghana Limited, a healthcare service provider is taking an initiation with the theme 'CARE FOR THE HEALTH OF WATER BODIES' hence identified this location which is used by the community for recreation purposes and has no defined control on garbage collection.

For Philips, If forests are considered the lungs of planet earth, then oceans and water bodies are considered its heart. As climate change continues to become more of a pressing global issue, we want to position Philips not only as a leading healthcare company but also as a leader in sustainability. We will be grateful if this request is granted. The date and time for the cleanup exercise is 6th October at 7am prompt.

Should you require any further information, please do not hesitate to contact the undersigned.

Yours Faithfully,

Evelyn Lokko
District Operations Manager
